# **ABSTRACT SUBMISSION**

- Submit a maximum 400-word abstract in pdf format (title under 20 words, with author and college name) via Google Form before the deadline; the best would be showcased upon screening.
- Open to UG and PG students; participation allowed individually or in teams of up to 4 members.
- Entries must be original and aligned with the theme “*NextGen Geoscience*”.
- Late submissions will not be accepted, participants must be present during judging, and the judges’ decision will be final.

# **POSTER PRESENTATION**

- Posters must be A0 size (841 mm × 1189 mm), portrait oriented, with a 60–70 pt title and minimum 24 pt body text, clearly readable from 1–1.5 meters.
- Maintain a 60% visual and 40% text ratio; handwritten content is not permitted, and participants must bring their own printed posters (those selected would be contacted beforehand).
- Each participant or team will have 3 minutes for presentation followed by 2 minutes of Question-and-Answer session.
- Plagiarism or any form of academic misconduct will result in immediate disqualification.
