# LITHOLAUGH

**WHERE TECTONIC STRESS TURNS INTO COMIC RELIEF.**

A humorous geological meme event celebrating relatable field struggles, lab adventures, research deadlines, and academic survival through creativity and wit.

CONTACT-Ankan Kuili (6295520073)

## Themes

- Memes must be related to Geology, Geophysics, Fieldwork, Lab experiences, Research tenure, or Assignments.
- If it's not about one of these, your memes will be subducted beneath the crust!

## Originality and Humour Policy

- Templates allowed but Copy-paste from Instagram = extinction from Prithvi!
- We love: Sarcasms || Roastings || Existential geology crisis || Relatable suffering
- We don't love: Politics || Religion || Personal attacks || "Too dark" humour

## Submission Details

- Participants must upload their memes through the provided Google Form link in JPG or PNG format with a 1:1 ratio.
- A maximum of one entry per participant is permitted
- Files must be named in the format: **Name\_CollegeName\_MemeTitle.jpg.**

## Selection

- The 3 memes would be winners and the best ones will be shortlisted and displayed during Prithvi 2026.
- Prithvi committee's decision will be final.
